The portal is launched in 2014 by the Centre for Contemporary Politics. War in the Balkans, 1991-2002 - Reliable Security Information The Balkans is often described as a grim backwater, a "no man's land of world politics" in the words of a post-World War II study "foredoomed to conflict springing from heterogeneity."

Western Balkans | European Union Institute for Security ... The countries of the Western Balkans are geographically surrounded by EU member states, and the EU's general approach towards the region is characterised by stabilisation through integration. The conflicts which blighted the region in the 1990s posed an existential challenge to the Common Security. Balkans Conflict Bibliography Conflict in the Balkans: a Selected Bibliography Below is a selected bibliography focusing on the recent conflicts taking place in the Balkan region. It covers the history, political background and current assessments with the emphasis on military applications. Conflict and Security | The New School for Public Engagement The Conflict and Security Concentration explores the rapidly changing terrains of war and peace. In recent years the old problems of international relations "focused on conflicts between sovereign states and big power diplomacy" have given way to a new and much more complex contemporary reality dominated by "non-traditional" conflicts.
