Single-Life Payout - Investopedia DEFINITION of 'Single-Life Payout ' Single-Life Payout is one of two payout option methods an employer uses to distribute retirement benefits. At retirement, a retiree has the choice of either a single-life payout or a joint-life payout. A single-life payout means only the employee will be receiving the payments for the rest of his/her life, but the payments stop upon his/her death.

Should I have Single or Joint Life Insurance? | Legal ... Remember, a joint life insurance policy only pays out once and would leave the surviving person without any life insurance. If there are two single life policies, if the first one dies, the surviving person still has their own cover.
