University of Washington Press - Books - Defending Giants Defending Giants is an outstanding contribution to the historiography of environmentalism." -Erik Loomis, H-Environment "Eloquent, inspiring, eminently readable nonfiction with precious lessons for those fighting the ever-greater environmental destruction wrought by corporate greed. Defending Giants: The Redwood Wars and the Transformation ... Defending Giants: The Redwood Wars and the Transformation of American Environmental Politics (Weyerhaeuser Environmental Books) [Darren Frederick Speece, Paul S. Sutter] on Amazon.com. \*FREE\* shipping on qualifying offers. Giant redwoods are American icons, paragons of grandeur, exceptionalism, and endurance. Defending Giants: The Redwood Wars and the Transformation ... Defending Giants explores the long history of the Redwood Wars, focusing on the ways rural Americans fought for control over both North Coast society and its forests. Activists defended these trees not only because the redwood forest had dwindled in size, but also because, by the late 20th century, the local economy was increasingly dominated.

Defending Giants: The Redwood Wars and the Transformation ... Defending Giants: The Redwood Wars and the Transformation of American Environmental Politics by Darren Frederick Speece Giant redwoods are American icons, paragons of grandeur, exceptionalism, and endurance. Defending Giants; The Redwood Wars and the Transformation ... Defending Giants The Redwood Wars and the Transformation of American Environmental Politics Darren Frederick Speece. Book published by University of Washington Press. Since the middle of the nineteenth century, logging operations have eaten away at the redwood forest, particularly areas covered by ancient giant redwoods. Defending Giants: The Redwood Wars and the Transformation ... Defending Giants explores the lengthy historical past of the Redwood Wars, targeting the methods rural americans fought for keep an eye on over either North Coast society and its forests.

Defending Giants: The Redwood Wars and the Transformation ... Giant redwoods are American icons, paragons of grandeur, exceptionalism, and endurance. They are also symbols of conflict and negotiation, remnants of environmental battles over the limits of industrialization, profiteering, and globalization. Since the middle of the nineteenth century, logging.
