Here is a bracing deconstruction of the framework for understanding the world that is learned as gospel in Economics 101.

Economism: Bad Economics and the Rise of Inequality by ... Economism: Bad Economics and the Rise of Inequality, by James Kwak, is an interesting look at Economics 101 principles and how prevalent they are in modern political discourse. If you have ever studied economics, introductory courses are usually basic, theoretical and idealized. Review of Economism: Bad Economics and the Rise of ... Economism is a fair distillation of neoclassical economics and, like it or not, mainstream economics nurtures neoclassical economics and demands commitment to the neoclassical framework. Even if the mainstream permits many other ideas to float around academia, neoclassical economics is the framework of indoctrination. Economism: Bad Economics and the Rise of Inequality A little knowledge is a dangerous thing, asserts this treatise from business law professor Kwak (coauthor, with Simon Johnson, of White House Burning), which observes how simplistic and misle.

Economism : Bad Economics and the Rise of Inequality ... Economism : Bad Economics and the Rise of Inequality (Downloadable Audiobook) : Kwak, James : Here is a bracing deconstruction of the framework for understanding the world that is learned as gospel in Economics 101, regardless of its imaginary assumptions and misleading half-truths. Economism: an ideology that distorts the valid principles and tools of introductory college economics. BOOK REVIEW | ECONOMISM: Bad Economics and the Rise of ... The cure for economism is not less economics " it is more and better economics. So you should read Kwak's book. But there is one big question it does not answer to my satisfaction.
