Executing Freedom: The Cultural Life of Capital Punishment ... "Executing Freedom is a brilliant exploration of capital punishment's place in American culture over the past half century. LaChance connects the death penalty to virtually every aspect of American life, including movies, politics, religion, and the family. Executing Freedom: The Cultural Life Of Capital Punishment ... Executing Freedom does a masterful job of discussing the multifaceted and often paradoxical cultural attitudes that underlie support for the death penalty. Focusing on popular culture is entertaining and an appropriate way to explain popular support. The argument is complex and nuanced, but so is the reality. Executing Freedom: The Cultural Life of Capital Punishment ... In the latter half of the twentieth century, Americans imagined the death penalty in ways that reflected and reinforced broader shifts in the nation's cultural and political landscape.

Executing Freedom: The Cultural Life of Capital Punishment ... It expands the study of capital punishment and its recent history beyond the analysis of political and legal struggles, and explores how the death penalty is embedded in a wide cultural configuration.
