Other books mentioned in this episode: Ghettoside: A True Story of Murder in America (2015) by Jill Leovy; Locking Up Our Own: Crime and Punishment in Black America (2017) by James Forman, Jr. Locked In: The True Causes of Mass Incarceration and How ... John Pfaff's Locked In: The True Causes of Mass Incarceration and How to Achieve Real Reform is filled with insights like this, illuminating the deep structural factors behind America's mass incarceration problem. While Pfaff sees himself as something of a political moderate, it is exactly that kind of analysis that makes his book. Why you can't blame mass incarceration on the war ... - Vox Pfaff goes through many facts and statistics to show that this Standard Story gets a lot wrong about the causes and realities of mass incarceration, from the types of crime that people are locked up for (in reality, largely violent offenses) to the areas in which reform is truly needed (with a focus on state and local, not federal, reform).

Everything You Think You Know About Mass Incarceration Is ... The numbers, he says, debunk the notion that prison populations can be drastically reduced by easing punishment for low-level drug offenses. Only 16 percent of those locked up in state prisons are there for drug crimes, and some of them probably belong there.
