Amazon.com: More on War (9780198788171): Martin van ... "War is the most important thing in the world," writes Martin van Creveld, military historian and author of the monumental work, *The Rise and Decline of the State*. The survival of every country, government, and individual is ultimately dependent on war - or the ability to wage it in self-defense. MORE ON WAR by Martin van Creveld | Kirkus Reviews Furthermore, since neither was important in the societies in which they lived, neither has much to say on asymmetrical warfare or naval war. Van Creveld does yeoman's work in addressing these omissions as well as giving a modern perspective on the more traditional modes of warfare. More on War - Martin van Creveld - Oxford University Press War is the most important thing in the world, writes Martin van Creveld, military historian and author of the monumental work, *The Rise and Decline of the State*. The survival of every country, government, and individual is ultimately dependent on war - or the ability to wage it in self-defense.
