Degenerated workers' state - Wikipedia In Trotskyist political theory, a degenerated workers' state is a dictatorship of the proletariat in which the working class's democratic control over the state has given way to control by a bureaucratic clique. The term was developed by Leon Trotsky in *The Revolution Betrayed* and in other works. Max Shachtman: *Is Russia a Workers' State?* (December 1940) *Is Russia a Workers' State? Developments in the world situation occasioned by the Second World War raises the forefront once more, the Russian Question. Russia's role in the war on the side of German Imperialism only emphasizes fundamental trends inherent under Stalin's Regime which leads the writer to abandon the position that Russia is a workers' state. Russia: From Workers' State to State Capitalism* by Anthony ... The most important contributor to this collection is Tony Cliff who coined the term 'State Capitalism,' which states that the Soviet Union under Stalin was not a workers' state, nor was it a degenerated workers' state as Trotsky would later describe it.

Russia - HaymarketBooks.org To millions throughout the world, the Russian workers' state offered new hope. People everywhere turned from the grim alternatives of a declining capitalism unemployment, poverty, the threat of new wars to place their hopes in the government that the soviets, councils of working people, put into power in Russia. *Russia: The death agony of a workers' state | League for ...* Russia, as a degenerated workers' state, simply did not have the range of information, mechanisms and institutions necessary to make a scientific valuation of the worth of assets, based on international comparisons.16 Privatisation in the west took place in an established market, whereas in Russia privatisation was the mechanism by which to create the market. *Union of Russian Workers - Wikipedia* The Union of Russian Workers in the United States and Canada, commonly known as the "Union of Russian Workers" (Союз Русских Рабочих, Союз Русских Рабочих, Союз Русских Рабочих) was an anarchist political association of Russian emigrants in the United States.

Trotsky - Deformed Workers' State - GlobalSecurity.org The conception of Russia under Stalin and his heirs as socialism, or a deformed kind of socialism (a degenerated workers' state in the language of dogmatic orthodox Trotskyists), met. *Isolation and Degeneration of the Workers' State ...* The Russian workers' state survived the civil war, but at a terrible cost. By 1920, the output of large-scale industry was down to 14 per cent of the 1913 level, and manufacturing output to less than 13 per cent.
