What are the virtues of modern sustainability? | TreeHugger That led me to wonder, what are the virtues of modern sustainability? Resilience , for example, has not always been top of mind when it comes to thinking about what sustainability means, but in recent years, faced with an increasingly unstable environment, the term has entered discussions about the resiliency of our communities , businesses , our buildings and also ourselves. (PDF) Sustainability, virtue ethics, and the virtue of ... Beginning with an overview of virtue ethics and critique of current approaches in environmental virtue ethics, this article proposes a new virtue, "harmony with nature"™, that addresses the interconnectedness of our relationship with nature. Sustainability, virtue ethics, and the virtue of harmony ... Clearly a focus on environmental issues in virtue ethics is to be encouraged, however the separation of environmental virtues and flourishing from individual and societal virtues and flourishing runs the risk of reinforcing the dominant, non-holistic view of sustainability, and fails to offer a truly transformatory approach.

Ethics and Sustainable Development: the Virtues of an ... Ethics and sustainable development: the virtues of an adaptive approach to environmental choice Bryan G. Norton and Allen Thompson 1. INTRODUCTION Most writing on environmental ethics concerns the dichotomy between humans and nonhumans, and much of the work in the field has been motivated by the effort to escape "anthropocentrism" with respect to environmental values. VIRTUES - BBISS | Georgia Institute of Technology VIRTUES for consistent, wide scale education across all the universities, colleges, and technical colleges in Georgia that prepare students to contribute collaboratively to the sustainability of organizations and communities. 6 Benefits of Becoming a Sustainable Business ... 6 Benefits of Becoming a Sustainable Business March 29, 2016 March 24, 2016 Over the past two decades, sustainability has become more than a fad or just a buzz word.
